Register. The 2019 ASHRAE Building Performance Analysis Conference takes place Sept. 25-27, 2019 in Denver, CO. The goal of this conference is to promote networking and present new techniques and workflows that practitioners make better decisions during the simulation and modeling process of an entire building life cycle.

2019 ASHRAE Building Performance Analysis Conference

A simulation is an approximate imitation of the operation of a process or system; the act of simulating first requires a model is developed. This model is a well-defined description of the simulated subject, and represents its key characteristics, such as its behaviour, functions and abstract or physical properties.
