Tips on Preconception Health for Men. As couples prepare for pregnancy, it is easy to focus only on the woman's health. However, there are several habits men need to be forming during these critical months of preparation too.

### **Pre-Conception Health for Men - americanpregnancy.org**

Pregnancy, also known as gestation, is the time during which one or more offspring develops inside a woman. A multiple pregnancy involves more than one offspring, such as with twins. Pregnancy can occur by sexual intercourse or assisted reproductive technology. Childbirth typically occurs around 40 weeks from the last menstrual period (LMP).

### **Pregnancy - Wikipedia**

There are two types of pregnancy tests; one uses a urine sample, the other a sample of blood. Both tests detect the presence of a hormone called human chorionic gonadotropin (hCG).
